

Appendix C-1 - Contractor's Insurance Requirements

During the term of this Contract, the Contractor shall maintain in force, at its sole cost and expense policies of insurance as required by this section. All insurance required by this section shall be written by companies that have an A.M. Best Company rating of "A-," Class "VII" or better. In addition, companies writing insurance intended to comply with the requirements of this section should be licensed or authorized by the New York State Department of Financial Services to issue insurance in the State of New York. ITS may, in its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when certificates and/or other policy documents are accompanied by a completed Excess Lines Association of New York (ELANY) affidavit or other documents demonstrating the company's strong financial rating. If, during the term of a policy, the carrier's A.M. Best rating falls below "A-," Class "VII," the insurance must be replaced, on or before the renewal date of the policy, with insurance that meets the requirements above.

Acceptance and/or approval by ITS does not, and shall not be construed to, relieve the Contractor of any obligations, responsibilities or liabilities under this Contract.

The Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the term of the Contract.

A. General Conditions Applicable to Insurance. All policies of insurance required by this section shall comply with the following requirements:

1. **Coverage Types and Policy Limits.** The types of coverage and policy limits required from the Contractor are specified in Section B-*Insurance Requirements*.
2. **Policy Forms.** Except as otherwise specifically provided herein, or agreed to in the Contract, all policies of insurance required by this section shall be written on an occurrence basis.
3. **Certificate of Insurance/Notices.** The Contractor shall provide ITS with a Certificate or Certificates of Insurance, in a form satisfactory to ITS (e.g., an ACORD certificate), after renewal or upon request. Certificates shall reference the Contract number and shall name the New York State Office of Information Technology Services, Empire State Plaza, Swan Street, Core 4, Albany New York, 12220 as the certificate holder.

Certificates of Insurance shall:

- Be in the form acceptable to ITS and in accordance with the New York State Insurance Law (e.g., an ACORD Certificate);
- Disclose any deductible, self-insured retention, aggregate limit or exclusion to the policy that materially changes the coverage required by this Contract;
- Refer to this Contract by number;
- Be signed by an authorized representative of the referenced insurance carriers; and
- Contain the following language in the Description of Operations / Locations / Vehicles section: The State of New York, the New York State Office of Information Technology Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees are included as an additional insured on endorsement CG 20 10 11 85 (or endorsements that provide equivalent coverage, such as the combination of CG 20 10 04 13 (covering ongoing operations) and CG 20 37 04 13 (covering completed operations)), and General liability coverage is provided on the current edition of Commercial General Liability Coverage Form CG 00 01 (or a form that provides equivalent coverage). Additional insured protection afforded is on a primary and non-contributory basis. A waiver of subrogation is granted in favor of the additional insureds.

Only original documents (Certificates and any endorsements and other attachments) or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted.

Except for (i) Data Breach and Privacy/Cyber Liability coverage, (ii) Technology Errors and Omissions, and (iii) Crime insurance coverages, ITS generally requires Contractors to submit only certificates of insurance and additional insured endorsements, although ITS reserves the right to request other proof of insurance. Contractors are requested to refrain from submitting entire insurance policies, unless specifically requested by ITS. If an entire insurance policy is submitted but not requested, ITS shall not be obligated to review and shall not be chargeable with knowledge of its contents. In addition, submission of an entire insurance policy not requested by ITS does not constitute proof of compliance with the insurance requirements and does not discharge Contractors from submitting the requested insurance documentation.

4. **Forms and Endorsements.** For Data Breach and Privacy/Cyber Liability, Technology Errors and Omissions, and certain Crime Insurance coverages (those containing Cyber theft coverage), Contractor shall provide ITS, after renewal or upon request, with a Schedule of Forms and Endorsements and, upon request, all Forms and Endorsements, unless otherwise agreed to in the Contract. The Forms and Endorsements shall provide evidence of compliance with the requirements of this Contract. Only original documents or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted.
5. **Primary Coverage.** All insurance policies shall provide that the required coverage shall be primary and non-contributory to other insurance available to the State, ITS, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. Any other insurance maintained by the State, ITS, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees shall be excess of and shall not contribute with the Contractor's insurance.
6. **Breach for Lack of Proof of Coverage.** The failure to comply with the requirements of this section at any time during the term of the Contract shall be considered a breach of the terms of the Contract and shall allow the State, ITS, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees to avail themselves of all remedies available under the Contract or at law or in equity.
7. **Self-Insured Retention/Deductibles.** Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Deductibles or self-insured retentions above \$100,000.00 are subject to approval from ITS. Such approval shall not be unreasonably withheld, conditioned or delayed. The Contractor shall be solely responsible for all claim expenses and loss payments with the deductibles or self-insured retentions. If the Contractor is providing the required insurance through self-insurance, evidence of the financial capacity to support the self-insurance program along with a description of that program, including, but not limited to, information regarding the use of a third-party administrator shall be provided upon request.
8. **Subcontractors.** Prior to the commencement of any work by a subcontractor, the Contractor shall require such subcontractor to procure policies of insurance as required by this section and maintain the same in force during the term of any work performed by that subcontractor.
9. **Waiver of Subrogation.** For the Commercial General Liability Insurance and Comprehensive Business Automobile Liability Insurance required below, the Contractor shall cause to be included in each of its policies a waiver of the insurer's right to recovery or subrogation against the State, ITS, and any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. A Waiver of Subrogation Endorsement evidencing such coverage shall be

provided to ITS upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage is also acceptable.

- 10. *Additional Insured.*** For the Commercial General Liability Insurance and Comprehensive Business Automobile Liability Insurance required below, the Contractor (and subcontractor, if applicable) shall cause to be included in each of its policies ISO form CG 20 10 11 85 (or a form or forms that provide equivalent coverage, such as the combination of CG 20 10 04 13 and CG 20 37 04 13) and form CA 20 48 10 13 (or a form or forms that provide equivalent coverage) naming as additional insureds: The State of New York, the New York State Office of Information Technology Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. An Additional Insured Endorsement evidencing such coverage shall be provided to ITS after renewal and/or upon request. A blanket Additional Insured Endorsement evidencing such coverage is also acceptable. For Contractors who are self-insured, Contractor shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Comprehensive Business Automobile Liability, in the same manner that Contractor would have been required to pursuant to this section had Contractor obtained such insurance policies.
- 11. *Excess/Umbrella Liability Policies.*** Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies. If coverage limits are provided through excess/umbrella liability policies, then a Schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form must be provided after renewal and/or upon request.
- 12. *Notice of Cancellation or Non-Renewal.*** Policies shall be written so as to include the requirements for notice of cancellation or non-renewal in accordance with the New York State Insurance Law. Within five (5) business days of receipt of any notice of cancellation or non-renewal of insurance, the Contractor shall provide ITS with a copy of any such notice received from an insurer together with proof of replacement coverage that complies with the insurance requirements of this Contract.
- 13. *Policy Renewal/Expiration.*** Upon policy renewal/expiration, evidence of renewal or replacement of coverage that complies with the insurance requirements set forth in this Contract shall be delivered to ITS. If, at any time during the term of this Contract, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in this Contract, or proof thereof is not provided to ITS, the Contractor shall immediately cease work. The Contractor shall not resume work until authorized to do so by ITS.
- 14. *Deadlines for Providing Insurance Documents after Renewal or Upon Request.*** As set forth herein, certain insurance documents must be provided to the ITS Procurement Services contact identified in the Contract Award Notice after renewal or upon request. This requirement means that the Contractor shall provide the applicable insurance document to ITS as soon as possible but in no event later than the following time periods:

 - For certificates of insurance: 5 business days
 - For information on self-insurance or self-retention programs: 15 calendar days
 - For additional insured and waiver of subrogation endorsements: 30 calendar days
 - For schedules of forms and endorsements and all forms and endorsements: 60 calendar days

Notwithstanding the foregoing, if the Contractor shall have promptly requested the insurance documents from its broker or insurer and shall have thereafter diligently taken all steps necessary to obtain such documents from its insurer and submit them to ITS, ITS shall extend the time

period for a reasonable period under the circumstances, but in no event shall the extension exceed 30 calendar days.
