

DEPARTMENT OF THE AIR FORCE
90TH MISSILE WING (AFGSC)

13 January 2024

Premise Wiring Multiple Buildings Site Visit Agenda Francis E. Warren AFB, WY 82005
Thursday 7 March 2024 at 9:00 am Mountain Daylight Time (MDT)

1. Site Visit request should be received via email at amber.moore.15@us.af.mil and trisha.lamarr@us.af.mil no later than Wednesday 6 March 2024, by 4:00 pm MDT.
2. All attendees will need to have a copy of their driver's license in order to access the base for this site visit.
3. All attendees need to arrive no later than 9:00 am MDT at the F. E. Warren AFB Visitor Control Center, located outside Gate 1 on Randall Ave. We shall depart for the site visit upon completion of the visitor access forms. The Site Visit is scheduled to begin once completion of access forms are complete.
4. All attendees will be required to utilize their own vehicles for the site visit. Valid vehicle insurance or the rental agreement will be needed for the vehicle in order to access the base.
5. No equipment will be provided by the Government for the site visit. All attendees must provide their own equipment for any site visit needs.
6. Only pictures of the proposed work area are authorized.
7. At no time shall money/funding be discussed by anyone.
8. Questions asked on site will be answered by the information contained in the Performance Work Statement (PWS). Any questions that are not answered by the PWS shall be submitted in writing (e-mail) to amber.moore.15@us.af.mil and trisha.lamarr@us.af.mil no later than Thursday 14 March 2024 at 10:00 am MDT. The government will address the questions and post them as Q&As on SAM.gov.
9. Thank you for attending the site visit.
