

<b><u>ID</u></b>	<b><u>Question from Vendor</u></b>	<b><u>Answer from Commerce City</u></b>
1	Will a site visit be available before the bid is due?	Yes. The City will hold an Open House event for vendors to come onsite and gain more information about the scope and requirements. This two-hour Open House is scheduled for Friday, 10/4, from 10am to 12pm. This event is not mandatory to submit a proposal.
2	Will this be night work only? Will it be when office personnel are working?	We expect this work will be mostly during the day but may need to schedule off-hours for some departments.
3	How many floors are in each building?	3 floors in the Civic Center: basement (little cabling), two above ground floors  1 floor for Paradise Island (very small site)
4	Are the new cables being connected directly to the racks?	Cabling will be terminated in the existing racks.
5	Does the City already have all the major materials? Completion date will be dependent upon major materials	Bid winner will need to provide materials to complete the project (cables, terminations, etc). The City's existing racks, raceways, and baskets do not need to be replaced.
6	Does prevailing wage apply?	No. Commerce City doesn't have a local prevailing wage requirement, nor is there a State one.
7	Are these cables for data, tv and/or audio?	Data. CAT6A.
