-----------------------------	--

## Description

**PURPOSE:** The purpose of the sources sought is to identify available authorized businesses to provide the requirement for Premise Wiring Services at Joint Base Lewis-McChord.

This sources sought notice is for informational and planning purposes only. Pricing information is not being requested at this time. It does not constitute a solicitation and is not to be considered as a commitment by the Government.

**REQUIREMENT:** This notice is issued by the U.S. Air Force, 92d Contracting Squadron, Fairchild AFB, WA. This sources sought is seeking to identify responsible potential sources to engineer, furnish, install, and test (EFI&T) a premises wiring upgrade to new NIPR Cat-6 cabling for the building 307 (B307) at Joint Base Lewis-McChord (JBLM), WA..

The Premise Wiring Services must meet the specifications in accordance with the attached Statement of Objectives (SOO)(Draft).

This is a new, non-recurring contract.

**ANTICIPATED NAICS/SIZE STANDARD:** This requirement falls under the NAICS Code of 511711, Wired Telecommunications Carriers, with a size standard of 1500 employees.

**SUBMISSION OF INFORMATION:** All firms responding to this sources sought notice are advised that their response to this notice is not a request that will be considered for contract award. All interested parties will be required to respond to the resultant solicitation separately from their response to this sources sought notice. A responsible potential sources shall have registered with the System for Award Management (SAM). The response should be no more than five pages providing the following information:

- Specifications of the Premise Wiring Services
- Business name, address, CAGE code
- Primary NAICS
- Size and socioeconomic classification based on primary NAICS size standard
- If claiming a specific small business category, provide supporting documentation
- Point of contact including email and phone number

Responses may be submitted through this site or electronically to the following points of contact: A1C Michael Salone at michael.salone@us.af.mil and SSgt Patrick Rangel at patrick.rangel@us.af.mil.

Please respond to this request by 14 May 2025 at 10:00 AM Pacific Time.
