## Description

This requirement is for the Contractor to engineer, furnish, install and test (EFI&T) Fiber optic cable at Cheyenne Mountain Space Force Station. The Contractor shall provide all equipment, tools, materials, supplies, transportation, labor, supervision, management, and other incidentals necessary to meet the requirements as stated in Attachment 1, PWS. All electronics equipment, supplies, and materials to be installed shall be new and not refurbished.

All solicitation details are outlined in the Combined Synopsis and Solicitation document.

Offerors shall respond to this RFQ via e-mail by 17 June 2025 at 1000 MT. All quotations should be sent to, TSgt Holly Hepler, at [holly.hepler@spaceforce.mil](mailto:holly.hepler@spaceforce.mil) before the due date and time specified.

All questions regarding the RFQ package must be submitted to the above e-mail address by 10 June 2025 at 1000 MT. Any questions asked over the telephone will not be answered. Any questions received after this date and time may not be answered.
