

**Niagara County Department of Management & Budget**

Division of Purchasing

Data Cabling for Niagara County Information Technology

Bid # 2024-35

EXHIBIT I: SEALED BID WORKSHEET

Please use this form. Prices and quantities must be typed in the worksheet. The bid must be signed by an authorized representative of the bidder. Electronic signature is acceptable. If alternate bids are being submitted, please copy and use this sealed bid worksheet for each alternate bid submitted.

The specifications provided are an example of the features and quality the County is seeking. Bids will be accepted and evaluated based on the specifications provided and will take exceptions into consideration when evaluating the bids. Please submit exceptions on a separate sheet of paper.
