NOTES:

1. Lump sum bid includes all necessary material, plus cost for delivery, installation, insurance, overhead, and profit as required to satisfactorily construct the project as indicated within the contract documents.
2. Where the bid sheet includes a fixed bid amount, the Bidder shall bid the indicated amount. Failure to comply with the pricing requirement will result in the Owner correcting the bid amount to the fixed bid amount. This corrected price will be used for determining the total bid amount.
3. For lump sum bids, a schedule of values must be supplied for the intent of payments and in the event that work may be either added or subtracted from the project. This SOV must be approved prior to the start of construction.
