The specified products and/or services are to be provided for FY2025 (July 1, 2025-June 30, 2026) and must qualify for universal service discounts under the FY2025 universal service support mechanism, E-Rate. The *E-rate Modernization Order* permits applicants to seek support for Category 2 eligible non-recurring services purchased on or after April 1, three months prior to the start of the funding year on July 1. No invoices to USAC/SLD will be DATED or PAID before July 1, 2025.

Any such reductions to the contract amount will be taken prior to the start of the specific work being reduced or eliminated on a given building and/or project.
