

The figure is a detailed film strip layout for a 45-minute program. The film strip is oriented vertically with frame numbers 01 to 45 on the left and right edges. The central area contains three horizontal strips of film. The top strip (frames 24-26) shows a sequence of frames with a dark background and white text. The middle strip (frames 25-26) shows a sequence of frames with a dark background and white text. The bottom strip (frames 24-26) shows a sequence of frames with a dark background and white text. The film strip is bordered by a white frame with black markings.
